

Assured Dental Laboratory, Inc. is a quality orientated dental laboratory that provides professional service to our customers. We are a growing company that is looking for technicians who pride themselves on the quality of their work while working in a fast-paced environment. We take pride in our clean work space and state of the art facility to fabricate life changing dental prostheses.

Dental Technician – Removable Department

This position is a one of kind opportunity to be trained to fully run a removable department. The selected applicant will get to work side-by-side with a technician with 28 years' experience and will have the opportunity to be a part of growing a high-quality, removable department.

Responsibilities include:

Performing all necessary tasks from start to finish:

- Acrylic finishing: complete dentures/removable partial dentures
- Denture, partial and implant denture set-ups/waxing/finishing knowledge
- Ability to speak with dental professionals over the phone regarding technical matters
- Repairs and relines

Preferred work experience:

- Three years or more in a removable department
- C.D.T. is preferred but not required

Benefits Include:

- Medical, dental & vision Insurance
- Company-matched simple IRA
- Short-term disability
- Vacation and holiday pay
- Opportunity for advancement and continued education encouraged and paid

Job Type:

- Full-time

Salary:

\$20.00 to \$25.00/hour (may be negotiable depending on experience)

[Complete the application found here](#) and mail/email it to Eric Kraus at eric@assuredpdx.com or mail to the address below. You are welcome to include a cover letter and/or resume, along with the completed application. The application must be completed to be considered for the position.
